

### Schakowsky Named to Intelligence

**January 18, 2007**

WASHINGTON-House Speaker Nancy Pelosi has named an outspoken critic of U-S military involvement in Iraq, Chicago Congresswoman Jan Schakowsky, to the Intelligence Committee.

She opposed the Iraq War resolution and was a founding member of the Out-of-Iraq Caucus.

The Evanston Democrat will continue to serve on Pelosi's leadership team as well as the Energy and Commerce Committee.

Reacting to her new appointment, Schakowsky issued a statement declaring that

a lack of vigorous Congressional oversight allowed the Bush Administration to rush to war with Iraq, using false intelligence as a tool to build support for the invasion.
